

Let's talk about

# ART IN THE DIGITAL SPACE.

Digital art is  
**CHEATING.**

**when you share your work online, anyone can use it without having to ask for permission or pay for it.**

**DIGITAL ART IS  
EASIER TO DO  
SO IT SHOULD  
BE CHEAPER.**

**social media has made it easier for artists to earn from their work.**

**Creative  
Commons licenses  
are against  
copyright laws.**
